St. Nicholas Day Fund-Raising Christmas Concert

**Sunday, December 5 after the Divine Liturgy (12 noon)
via live-stream and in person**

Our talented musicians and choir members will perform sacred music and Christmas Carols from the **Feast of the Nativity of Christ** and the **Feast of St. Nicholas** as we celebrate our patronal feast.

Since it is still premature to hold our annual St. Nicholas Day dinner, which is usually our main fund-raiser for the year, we are planning another Christmas Concert this year and are asking for your support and sponsorship. We have set a goal to raise \$10,000 through sponsorships and pledges and ask for your support.

We will accept sponsorships in advance and donations throughout the event either in-person on the day of the concert or online through our website.

All are welcome to attend in person or via the live-stream on our Cathedral Facebook page or website.

In addition to Byzantine hymns for both feasts in Arabic and English led by our choir director Fadi Broumana, we will sing Christmas Carols, hear beautiful instrumental renditions of the season, and be entertained by several talented, professional musicians that call our parish home and have been singing in our choir over the last few years.

Sponsorship levels that will be announced live during the concert and printed in the program

(Deadline for the program is December 1):

\$100 • \$250 • \$500 • \$1000
