

**St. Nicholas Antiochian
Orthodox Cathedral presents:**

 *Spring Concert* 

Honouring our mothers through hymns of the season

Sunday May 9, 2021 (Mother's Day and Thomas Sunday) after Divine Liturgy
(12:30pm), in-person and via live-stream.

Our spring concert features liturgical hymns and other music for the paschal season performed by our Byzantine choir in English and Arabic (led by our choir director, Fadi Broumana) as well as a selection of traditional Western choral music settings. In addition to liturgical hymns by our choirs, we will also hear a selection of music for the spring season in honour of Mother's Day, performed by the professional musicians who call our parish home!

All proceeds for this concert will go toward funding the construction of handicap-accessible restrooms on the lower level of our Cathedral.

Sponsorship levels (to be announced live during the concert and printed in the program):
\$100 • \$250 • \$500 • \$1000

Make checks payable to "St. Nicholas Cathedral" or give online using the following link:
