

From St. Nicholas Cathedral  
Teen SOYO

Dear Brothers and Sisters in Christ,

It is hard to believe this joyous and blessed time of year is here again already! The changing of the seasons always signals to us the time for the Community Christmas Card letter.

Despite COVID-19 and cutting our activities short for the past 18 months or so we have maintained our obligations and support to those in need. We continue the support of Children's Relief Fund in Lebanon and helped fund the Special Olympics Sports Camp at the Antiochian Village. We also continue our support of the Holy Cross Brooklyn Outreach Center right in our own backyard here in Brooklyn.

All of these wonderful things our teens do are funded by three projects, our yearly luncheon, our bake sale and this, our Christmas Card project. With the other two fund-raisers out for this year, this is the only thing that remains. Therefore, we are you to support us and, at the same time, join your fellow parishioners in being part of this annual parish Christmas

car. Take a moment of your time to fill in the enclosed slip and support the teens in the work they do. The names should be written on the slip just as you would like them to appear on the card.

Please respond using this form and send your check by December 1<sup>st</sup> with your minimum donation of \$25.

Please make the check out to St. Nicholas Cathedral SOYO. You can also give online through the church

This year we are dedicating the card to the memory of our longtime advisor, Audree Yacoub, who passed away earlier this year. As you know, Audree helped a great deal with making sure everyone was part of this card and supporting the teens. May her memory be eternal!
